

Waverley Mayor Attends Tahitian Party

Waverley council mayor Cr. Mora Main attended a party hosted by Tahitian Noni International, developer and exclusive provider of the

were treated to free spa treatments and entertained by Tahitian-style dancers and drummers.

Cr. Main and Cr. Wy Kayak, both members of the Greens

Johnson, National Sales Manager for Australia.

Cr. Wy Kayak expressed interest in Tahitian Noni's extended commitment to preserving the beauty of the Tahitian islands and improving the quality of life and economic status of indigenous French Polynesians.

Tahitian Noni International has benefited the economy of French Polynesia tremendously. The company has created thousands of jobs since the first bottle of TAHITIAN NONI™ Juice was sold.

Several thousand Independent Product Consultants distribute Tahitian Noni International products in Australia.

Tahitian Noni International is a global, research-driven company that was the first to introduce the health benefits of the noni plant to the world outside of French Polynesia. Tahitian Noni products are available through a local Tahitian Noni International Independent Product Consultant, online at www.TahitianNoni.com, or by calling 1300-133-233.

internationally acclaimed TAHITIAN NONI™ Juice, in Bondi Park last week.

Cr. Main, Cr. Wy Kayak (Greens member for Bondi), and members of the public

party, discussed Tahitian Noni International's commitment to the environment and natural products with Scott Florence, Regional General Manager for North America, and Gerrit
